Morland Abingdon Marathon 1991

The Abingdon Amblers, organisers of the marathon, would like to thank everyone who generously supported our efforts to make this an enjoyable event. We especially thank **Morland Brewery**, our main sponsor, who have supported us for the past 4 years and have agreed to continue to do so for next years event. Our thanks also go to **British Gas Southern, Exxon Chemicals, Lynx Offset, & National Power**, all of whom have been most generous in their support. Without the backing of all these sponsors it would not be possible for us to stage our event and we are sincerely grateful.

Our thanks also go to the many people who gave freely of their time and effort on the day. For many of these helpers the marathon started in the early hours of Sunday morning, and continued for many hours after most runners had finished and gone home. A special mention must go to the AAA officials who turn out for their thankless job in all weathers.

Thanks also to the results team who's job starts as soon as the first runner crosses to line and doesn't finish until long after the last runner makes it home; the photographers on the finishing line who's job it is to catch that moment of glory, the computer operators who busily record the runners times as they come in, and the small group of workers who match up the photos with the runner and get the results sheets out so speedily.

And lastly, our special thanks go to Bob Evans, our Marathon Chairman. The Marathon Committee meetings have managed to stay calm and relaxed even when the odds were stacked against us. Planning the event starts early in the year and many hours are worked behind the scenes. Thanks go to all the many people who have helped throughout the year.

This was the 10th Abingdon Marathon - Here's to the next decade!

Hope to see you all on October 18th next year!

Dear Marathoner,

As you recover from the 4th Morland Abingdon Marathon you may be interested to read how everyone got on. The number of entries increased again this year to 440 and so far most reports have been favourable.

Despite being a little chilly, the weather provided the best running conditions the Abingdon Marathon has seen in recent years. Certainly many runners found it to their liking with 80 runners finishing within 3 hours including Odile Leveque, from Colmar, France, who set a new ladies record of 2hr 55m 47s. Mike Cleveland set a fast pace in the men's race and was well clear of the rest of the field at half way. Steve Wheeler came through strongly in the second half and caught Mike at about 24 miles. Having only attempted the distance twice before, Steve won the race in 2hr 30m 9s (a new PB by nearly 34 minutes!) In third place was last years winner, Emrys Francis, who also finished strongly from 14th place at halfway. A personal best time of 2hr 32m 32s also gives him the M40 veteran course record. (You will notice that most of the course records were broken, 97 PB's were set, and 35 runners completed the distance for the first time with 3 of them finishing in under 3 hours).

The individual Oxfordshire champions were Steve Wheeler from Shipton-under-Wychwood, and Clare Garland from Kennington.

Wheelchair athlete, Andrew Cheek from Enfield, was the first competitor to cross the finishing line having started some 10 minutes before the other runners. He set an excellent time of 2hr 36m for his first marathon. Our only other wheelchair athlete, Mr Rochford of Milton Keynes also completed the distance for the first time.

Northampton Pheonix AC sent another strong team this year to take the honours in the team competition for the second year. Bicester RR were a close second. In the Oxfordshire AAA championship Bicester's team won despite Mike Cleveland not qualifying because of late entry. Both our French 'Twin-Towns' sent strong teams this year; Colmar won with Argentan coming second. Abingdon and Schongau, Germany followed in 3rd & 4th.

The Morland Pub competition was won by the Mason's Arms, Northleigh, with Steve Wheeler and Martin Townsend providing the fastest times.

Our photographers did a super job clicking everyone as they crossed the line. If you were lucky enough to get caught by them you will find the photo enclosed. Reprints and enlargements are available - please use the form on the back page. We also have some Abingdon Marathon T-shirts left. If you ordered a medal it will be despatched to you shortly.

This year's entry form included a request for interesting stories. We certainly got what we asked for! Lining up for the fourth event organised by the Amblers were 5 runners who had completed all previous 9 Abingdon Marathons. Roy Lewis, Brenda Brown, Peter Forshaw, Bryan Sheard & John Schutterlin all came home to complete their tenth Abingdon Marathon. Our oldest competitor was Geoff Hebden who completed his 95th marathon in 4hr 34m, at the age of 70! Having run his first marathon in 1981, he hopes to make London '92 his 100th. Maurice Rhodes, a spritely 69 year old made Abingdon his 166th marathon. He has run 164 marathons since his 60th birthday! Robert Tinnyunt from Newton Abbot suffered 4 heart attacks at the age of 47. Now, 4 years later, he has completed his 11th full marathon. David Vincent Jones of Hull had hoped to join us for his attempt at 100 marathons in a year but he was delayed in Norway after completing the Stavanger Marathon the day before. He already holds the world record of 74 marathons in a year and promises to be on our starting line next year. And just a word about Bill Gulliver, our blind friend from Reading. He set out to make Abingdon his fastest marathon and he achieved his goal with a PB of 3hr 30m 21s - an improvement of 15 minutes!

Thankyou for supporting our event. If you do have any comments to make please write to the marathon address on the back page. We look forward to welcoming you all back for the 5th Morland Abingdon Marathon on October 18th 1992!
