

Morland Abingdon Marathon 1992

This was the Abingdon Amblers 10th Anniversary year and this years marathon was therefore extra special since it was the 1982 Abingdon Marathon that got many of the clubs founder members hooked on running. We have now presented five Morland Abingdon Marathons and we would not have been able to achieve this without the generous support of many people.

We especially thank **Morland Brewery**, our main sponsor. Last year Abingdon almost lost its marathon and this year we almost lost our Brewery. An unwelcomed take over bid by the Suffolk Brewery, Greene King was fought off and we were all very relieved when Morland was safe and we could continue to sup Morland Ale at our marathon meetings! After the uncertain times during the past year we are very grateful to Morland for their continued support of our marathon.

Our thanks also go to **National Power** who have again been very generous, **S & S Press Ltd**, Abingdon who printed the programmes, and **The Foam Company**, Didcot who supplied us with the sponges. Without the backing of these and the many other small businesses and friends who have donated goods, gifts and money, it would not be possible for us to stage our event. We are sincerely grateful.

Many thanks also to the many people who gave freely of their time on the day. Sunday was a very long day for many people and we do appreciate the hours that everyone puts into making the race go smoothly. Most first-time helpers are surprised how much they enjoy being part of the event and I hope that with their enthusiasm we can encourage more to join us next year. A special mention must go to the Oxfordshire AAA officials who turn out for their thankless job in all weathers throughout the year. They are barely noticed by most runners as they take down the times and numbers as each runner crosses the finishing line.

Thanks also to the late entries and results team. Despite being thrown into chaos when a power cut meant that all the late entries and finishers times were lost from the computer on two occasions, everyone stayed remarkably calm! Unfortunately we were only able to put the first 100 runners times up for viewing on the day. Twice when we were almost ready to print the next 100 finishers we lost power and all our work! I think we got to the stage of being able to recite the winners times by heart as we re-typed them into the computer for the third time! By the time we eventually got all the finishing times into the computer you had all gone home!

Finally a big thank-you to Bob Evans, our Marathon Chairman, and Rick Roe, our Race Co-ordinator. I'm sure I speak for all of the committee when I say that we have all enjoyed this year. When we took over the organisation of the marathon 5 years ago our aim was, in Ricks' words, to provide a marathon organised *by* runners, *for* runners. As our event has grown in size I hope that we have managed to stick to our original aim and that we can continue to learn from each years' event.

I hope that by the time these results reach you, you will be fully recovered from the marathon and already planning your next training schedule! Once again we were lucky with the weather, considering what October could have thrown at us. It certainly couldn't have been this that prevented 20% of our entrants from turning up on the day. We had a record 493 entries but only 375 finishers.

The race was won by our local marathon specialist, Derek Green of White Horse Harriers. His time of 2.24.54 narrowly missed beating the course record and was less than a minute outside his PB. The first lady home was Elaine Flather from Southampton Roadrunners, finishing 8 minutes clear of the next lady. She beat 3 hours for the first time and set a new PB of 2.56.33. Only one course record fell this year. The Lady Vet 45 now stands at 3.19.50 thanks to Gill Lea from Orpington.

Congratulations too to our new Oxfordshire AAA Champions. The winner Derek Green from Abingdon and Jo Bell from Witney who finished in 3.55.2. As you will notice from the results table we didn't have very many entries for the championship. I am sure that a lot of other runners would have qualified but either didn't enter the race the required 7 days in advance, or failed to tick the championship box on the entry form. For the AAA club competition the same rules apply with the added stipulation that each member of the team must wear a club vest. The winning team was Abingdon Amblers in a time of 12.38.38, with 3 of the four runners setting pbs.

The wheelchair race had 4 competitors this year, including last year's winner, Andrew Cheek. Andrew was a clear favourite with a pb of 2.28 and he did everything right to finish in a new pb of 2.21.27. Despite losing time whilst carrying out some wheelchair repairs early on in the race, first timer Gerard Oxford from Colchester Joggers finished in a commendable 3.27.12.

Well done to Northampton Phoenix who won the team prize yet again! With Bicester fielding a depleted team it was up to Oxford City to provide the competition. Northampton's team proved invincible as they improved on their winning time of last year by 30 minutes to come home in a time of 10.35.44. All of their team members averaged a time of under 2.40 and all of their *second* team runners were home in under 3 hours!

Last year Bill Gulliver, the blind runner from Reading, set his pb of 3.30 on our course. This year he said he would be taking it easy because he was helping a novice on her first marathon. Joanne Cabler, a fellow Reading Roadrunner entered on the day (after some persuasion I should imagine!) and finished in 4.47. Not only had Joanne never run a marathon before but she only took up running 3 months ago, and in finishing our marathon she helped the Reading Ladies team to victory!

Sum Mel was the first and only "lady vet 55" to finish. She was over from our twin town, Sint Niklaas in Belgium and hadn't heard that the marathon was on until the Saturday night. She borrowed all the necessary equipment (sports bra and all!) and completed the race in 5.8.40 with 3 Abingdon girls. Norman Paul almost made it into the "vet 70" class - it was his 70th birthday the day after the race. As our oldest finisher on the day his time of 3.55.02 was very impressive.

John Kew, a member of the 100 Marathon Club, phoned me for directions to the school on the Saturday night. He was on his way down from Yorkshire having run a cross-country marathon that day and wanted to know where he could park his car because he would be spending the night in it! He managed to reel off jokes all the way round the course and still finish in 3.39!

Amongst those runners who come back each year are Brenda Brown, Roy Lewis, and Bryan Sheard who have now completed all 11 Abingdon Marathons, and Allan Kay, Trevor Langrish, and Geoff Arkwright who have completed all 5 Morland Abingdon Marathons.

Thank-you all for supporting our event. If you have any comments to make please write to me at the marathon address on the back page. If this was your first Abingdon Marathon I hope you'll come again. We look forward to welcoming you all back next year.

The 6th Morland Abingdon Marathon will be on October 24th 1993, same time, same place - Join us!
Prew Manning-Press
