ABINGDON MARATHON 1994

After dismal weather reports we were all relieved to see blue skies and sunshine on the morning of the Abingdon Marathon. This year we had a new venue, and the Abingdon Airfield provided an excellent base, with the Control Tower being the headquarters. The only complaint we had from runners was the cruelty of being able to see the finish banner so long before reaching it!

Our numbers were down this year for the first time since we took on the event seven years ago. This was a great disappointment to us, but having spoken to several other race organisers we were cheered slightly by the news that other races of all distances are having difficulty maintaining their numbers. In the end we had 275 finishers, including 2 wheelchairs, 2 blind runners, Superman, Rasputin (?) and a Devil!

There were two hat tricks amongst the winners. Both Derek Green, winner of the men's race, and Andy Cheek, winner of the wheelchair race, were successful for the third year running. Derek was almost five minutes down on the course record he set last year, having set off at a blistering pace with Stephen Portman of Tipton Harriers. When Stephen dropped out Derek pulled away from his nearest rival, Richard Beaumont, who struggled badly in the later stages of the race to finish 9 minutes after Derek.

None of the men's course records were challenged, but the ladies race was won by Mary Meredith, a L45 runner who managed to smash our previous L45 record with an excellent time of 3.10.49.

The other course record to go was the wheelchair record, with Andy breaking the record he set last year in a time of 2.10.02. Apparently he and Barry Cooper, our other wheelchair competitor, were treating this as a training run before flying out to compete in Japan. They have both recorded times of less than 2 hours - this time Barry finished just about a minute behind.

Bill Gulliver, the blind runner from Reading was here for the fifth year in succession. He set his best and worst times here and this year ran round with Tim Hill in a time of 4.30, about an hour inside both. Our other blind competitor was Paul Watts from North London who came in in 4 hours 26. He was accompanied by Syd Wheeler who has been a regular supporter of our marathon, and set his PB of 2.59 here in 1991.

Prizes for the "oldest" runners to finish went to Hugh Turner of Nottingham, and Margaret Clark of Edgware. Margaret was the only L55 to finish but there were 15 men in the M60 category, with Bob Emmerson winning in 3.07.55, about 12 minutes down on his own course record.

In the Oxfordshire Championships Olive Patchett of Thame was the first Oxfordshire lady home, with Derek Green retaining his title in the men's competition. The mens team winners were Eynsham Road Runners who are always very supportive of our marathon. The ladies team winners were Abingdon Amblers, the only Oxfordshire club to compete.

We were again happy to welcome several runners from our French twin town, Argentan. The twin town trophy went back to last year's winners, The Vale, with Argentan coming second, and Abingdon third.

Congratulations to the two runners who completed their one hundredth marathon, Roy Smith of Headington, and David Buckle of Coventry. A special mention too for David Tann of London. As he crossed the finishing line the camera caught the clock above reading 2 hours 50, which, with the race number 250 on his chest made a pretty unique memento for his 250th marathon. How did he do it?

100% attendance of all seven Morland Abingdon Marathons has been achieved by Brenda Brown, Roy Lewis, Trevor Langrish, Allan Kay, Michael Alsworth, Clive Evans, and Roy Smith. Keep it up!

Many thanks to our sponsors, supporters, and helpers, who have helped make this marathon happen. Their contributions to the event are very much appreciated.

Thanks to you all for supporting our event. You will be mailed in June with details of the 1995 marathon. We look forward to welcoming you all back next year. Why not persuade some of your fellow club runners to come too?

The 8th Morland Abingdon Marathon will be on October 22nd 1995 - be there!

Order Form

Abingdon Marathon 1994

Reprints and enlargements of your finishing photo

This year most of you will have received an "action" shot of yourself on the course which you can have made into an enlarged copy. You need to use the order form attached to the proof for this.

If you were lucky enough to be caught by our camera as you crossed the finishing line and would like a reprint or enlargement of your enclosed finishing photo please use the form below and send it with your cheque payable to "**Pacho Limited**" to: Pacho, 12 The Mall, Ealing, London, W5 2PJ.
