AKZO NOBEL
ABINGDON MARATHON 1999

Entries were up 10% for this year's Abingdon Marathon, for a race which started overcast and dry. The lucky ones who finished in under 3 ½ hours avoided the downpours – the remainder of the field got a severe soaking and were grateful for the superb Tilsley Park facilities at the end.

Toby Laver, wearing the purple colours of the University of Reading AC, led to race for the first 10 miles (59.07), establishing a 200m lead on the chasing pack. However, Toby pulled up just after the 10 mile marker, allowing Greg Dell from Woodstock Harriers to take advantage. Going through halfway in 1 hour 19 minutes, Greg was shortly to be caught by two Woodstock team mates – Richard Shipway and Simon Lund. The three ran together for 4 miles, when Simon Lund made an impressive breakaway, which was to bring him victory in 2.33.39. The second half of the race was much faster, with Simon recording impressive 5.40 minute mile pace for most of the last 6 miles. Woodstock Harriers recorded an outstanding 1,2,3 with Richard Shipway (2.37.59) and Greg Dell (2.39.36) finishing second and third respectively.

In the ladies race, Katrina White from Milton Keynes AC broke the magical three hour barrier with a time of 2.58.09, easily beating her PB of 3.04 achieved this year at the Paris marathon. Katrina had led the ladies race for most of the 26 miles. Lisa Godding-Feltham (White Horse Harriers), a previous winner in 1998 and 1993, came second in 3.01.04. Trudy Evans from Cirencester finished third in 3.07.33.

The veteran category winners were David Thomson (M40), Sandy Johnston (M50), David Clark (M60) and John Borland (M70). John wiped 15 minutes off the M70 course record in a fantastic 4.04.45. In the Ladies section, the winners were Lesley Whiley (L35), Liz Prideaux (L45) and Christine Usher (L55). Five wheelchair competitors finished the race – Geoff Allen, a previous winner in 1997, won the race in a rain affected time of 2.34.30.

The team winners were Woodstock Harriers in the mens race and Reading Road Runners in the ladies race. Abingdon retained the Twin Towns trophy, beating Argentan, Abingdon's twin town in Normandy, for the second year running.

The Oxfordshire Championship winners were Richard Shipway (Woodstock) and Lisa Godding-Feltham (White Horse Harriers). The Berkshire winners were Ian Coxhead (Newbury AC) and Lesley Whiley (Reading RR).

Of the 333 of you that completed our marathon this year, 157 had done it before. Michael Alsworth, Clive Evans and Alison Stanmore have completed all 12 that the Abingdon Amblers have organised, and Roy Lewis has done all 18 since the first one in 1982.

Many thanks to all of you who came and ran, and well done to everyone who completed the race. A special thank you to all our helpers, supporters and sponsors without whom the event would not take place. You will be sent an entry form and details of next year's marathon – make a note of the date now... we hope to see you again!

*The 13th Akzo Nobel Abingdon Marathon
will be held on October 22nd 2000*
