## ABINGDON MARATHON 2002

This year's Abingdon Marathon took place on 20 October 2002, and was run on a new course, designed to satisfy the more stringent safety requirements which now apply. Although safety was the main reason for designing the new route, the three loops - to the north-east, south and north-west of Abingdon - opened new territory for the runners, and allowed them to run through the town centre so that this year participants in the Abingdon Marathon actually saw Abingdon!

The race started from the track at Tilsley Park, and the runners were set off at 9:00 am by the Mayor Audrey Tamplin. Although storms and downpours had been forecast, the day was cold and damp, but calm, and we looked forward to reasonable weather. There were no wheelchair entries this year, so there was one mass start, which included our youngest participant, four-year-old Rowan, who was pushed in a BabyRunner by her father Pat Read.

In spite of the difficulties to be expected with the marshalling of a new course, the race went remarkably smoothly, and 305 runners finished - the winner, Mike Smith of Cirencester in 2:26:26, and the first lady, Lucy Townsend of Bourton Road Runners in 3:05:25. Unfortunately, towards midday, the rain did finally appear, and became steadily heavier as the day wore on. Nevertheless, many of the later finishers still looked remarkably cheerful.

The race included not only the Men's and Women's team competitions, won by Woodstock Harriers and Reading Road Runners respectively, but also the Oxfordshire, the Berkshire, and the Middlesex county championships, as well as the Southern Counties Vets championship, so a rather extensive prizegiving took place in the afternoon, completed in the evening, when the Twin Towns trophy was presented to the team from Argentan, Abingdon's twin town in France.

**Akzo Nobel Abingdon Marathon 2002 - Sunday 20 October 2002**  
**Results for all competitors in finish order**
